The Pierces

THE PIERCES — THIRTEEN TALES OF LOVE AND REVENGE

Sisters Allison and Catherine Pierce may have been home-schooled by hippie parents in the deep south of Alabama, but their fiercely eclectic music often sounds like it was born in a 1930s jazz club before making a pit stop in the '70s disco era and then veering head-on into the '00s. Their April release, *Thirteen Tales of Love and Revenge* (Lizard King Records), is full of showstoppers. But be sure to check out "Turn on Billie," a sultry ode to Billie Holiday on which the girls coo like classic jazz singers after a few cocktails. ThePiercesMusic.com
